FINANCIAL INFORMATION AND OPERATING DATA

Pursuant to the Disclosure Certificates, the Financial Information herein consists of updated versions of the financial information and operating data contained in certain tables within the Official Statements.

Average Daily Attendance, Enrollment and LCFF

Prior to Fiscal Year 2013-14, school districts in California derived most State funding based on a formula which considered a revenue limit per unit of average daily attendance (“ADA”). With the implementation of the Local Control Funding Formula (“LCFF”), commencing in Fiscal Year 2013-14, school districts receive base funding based on ADA, and may also be entitled to supplemental funding, concentration grants and funding based on an economic recovery target. State allocations are provided on the bases of target base funding grants per unit of ADA (a “Base Grant”) assigned to each of the four grade spans.

The table below sets forth the School District’s actual ADA, enrollment (including percentage of students who are English language learners, from low-income families and/or foster youth (collectively, “EL/LI Students”)), and targeted Base Grant per unit of ADA for the most recently completed Fiscal Year. The ADA and enrollment numbers reflected in the following table include special education.

BAKERSFIELD CITY SCHOOL DISTRICT Average Daily Attendance, Enrollment and Targeted Base Grant Fiscal Year 2023-24

	<i>ADA/Base Grant</i>			<i>Enrollment</i>		
	<i>K-3</i>	<i>4-6</i>	<i>7-8</i>	<i>Total ADA</i>	<i>Total Enrollment⁽³⁾</i>	<i>Percent of EL/LI Students⁽⁴⁾</i>
ADA ⁽¹⁾ :	11,879.67	9,097.16	5,850.51	26,827.34	28,761	93.48%
Targeted Base Grant ⁽²⁾ :	9,919	10,069	10,367	--	--	--

⁽¹⁾ Reflects P-2 ADA.

⁽²⁾ Such amounts represent the targeted amount of Base Grant per unit of ADA, and do not include any supplemental and concentration grants under the LCFF.

⁽³⁾ Reflects certified enrollment as of the fall census day (the first Wednesday in October), which is reported to the California Longitudinal Pupil Achievement Data System (“CALPADS”) in each school year and used to calculate each school district’s unduplicated EL/LI student enrollment. CALPADS figures exclude preschool and adult transitional students.

⁽⁴⁾ For purposes of calculating Supplemental and Concentration Grants, beginning in Fiscal Year 2017-18, a school district’s percentage of unduplicated EL/LI students is based on a rolling average of such school district’s EL/LI enrollment for the then-current fiscal year and the two immediately preceding fiscal years.
