INTRODUCTION

I. BACKGROUND

\$32,255,000 Sewer Revenue Bonds 2014 Series A

On July 2, 2014, the City of San Mateo (“City”) issued its \$32,255,000 Sewer Revenue Bonds 2014 Series A (“2014A Bonds”). Proceeds from the sale of the 2014A Bonds were used to: (a) refund the City’s outstanding City of San Mateo Sewer Revenue Bonds, Series 2003; (b) finance various improvements to the City’s municipal sewer enterprise; and (c) pay costs of issuance of the 2014A Bonds. Please see the Official Statement for the 2014A Bonds as provided online at the Municipal Securities Rulemaking Board’s (“MSRB”) Electronic Municipal Market Access (“EMMA”) document repository for further background information. Capitalized terms used but not defined herein shall have their meanings as given in the Indenture for the 2014A Bonds.

Interest on the 2014A Bonds is payable on February 1 and August 1 of each year, commencing February 1, 2015, with principal payments due on August 1.

II. OBJECTIVE

Pursuant to the Continuing Disclosure section of the Official Statement and Continuing Disclosure Agreement/Certificate for the Affected Issuance, this Continuing Disclosure Annual Report (“Annual Report”) is being provided by the Dissemination Agent for distribution to the MSRB’s EMMA document repository.

This Annual Report has been prepared by Urban Futures, Inc. (“UFI”) at the direction of the City. The information set forth herein has been furnished by the City and/or County, along with other sources believed to be reliable, but no representation as to the accuracy or completeness of any such information is made by the City or UFI. The City and UFI make no representation that this Annual Report contains all information material to make a decision to purchase or sell bonds or any other debt obligations of the City. Any information contained herein which involves estimates, forecasts, projections, and expressions of opinion, whether or not expressly stated, is intended solely as such and is not to be construed as representations of fact by the City or UFI, and no representation is made that such opinions or estimates will be realized. The information, opinions, and estimates herein are subject to change without notice. The City and UFI shall not take responsibility for any statements or information of any kind disseminated to the MSRB or EMMA or any other medium that is not disseminated by and authorized in writing by either the City or UFI.

For a detailed description of the Sewer Enterprise’s bonds and parity obligations, please see Section C of Note 7 to the Basic Financial Statements (“Business-Type Activities – Long-Term Liabilities”) in the Annual Financial Statements separately posted to the EMMA document repository. The following provides additional information regarding certain indebtedness payable from revenues of the Sewer Enterprise described in Note 7 to the Basic Financial Statements:

On November 5, 2020, the City entered into an agreement with the Authority and the Environmental Protection Agency (“EPA”) for a loan up to \$210,339,360 under the EPA’s Water Infrastructure Finance and Innovation Act (“WIFIA”) loan program. For a description of the purpose and terms of this parity obligation, please refer to the “Notice of Incurrence of Financial

Obligation as of 11/05/2020” posted on MSRB’s EMMA document repository for the 2014 Bonds (<https://emma.msrb.org/P21464793-P21136586-P21549429.pdf>).

On December 17, 2020, the City entered into an agreement with the Authority and the EPA for a loan up to \$85,140,000 under the WIFIA loan program. For a description of the purpose and terms of this parity obligation, please refer to the “Notice of Incurrence of Financial Obligation as of 12/17/2020” posted on MSRB’s EMMA document repository for the 2014 Bonds (<https://emma.msrb.org/P21664457-P21280983-P21709594.pdf>).

On February 15, 2024, the Authority, for the benefit of the City, requisitioned \$295,479,360 from the Environmental Protection Agency pursuant to the above WIFIA loans. The WIFIA loans are existing Material Obligations under Agreement Number D2101045 (Project Number C-06-8297-110) (“2022 Construction Loan Agreement”) and the related Financing Agreements are current Member Agency Parity Obligations under the 2022 Construction Loan Agreement. The proceeds of the WIFIA loans, were used: (1) to reimburse the City for expenditures related to the WWTP Project and the San Mateo Basins 2 and 3 Collection System Improvements Project; (2) to defease to maturity the 2021 Wastewater Revenue Notes, Series B (“2021B Notes”) issued by the Authority; and (3) to establish a security deposit for payment obligations of the City to the 2021B Notes under the related Financing Agreement (a current Member Agency Parity Obligation under the 2022 Construction Loan Agreement). Interest payments on the WIFIA Loan began August 1, 2024, and the principal payments begin August 1, 2025.

On May 14, 2022, the City and the District entered into an agreement with the California State Water Resources Control Board (“SWRCB”) for a State Revolving Fund (“SRF”) loan up to \$137,456,000. For a description of the purpose and terms of this parity obligation, please refer to the “Notice of Incurrence of Financial Obligation as of 5/14/2022” posted on MSRB’s EMMA document repository for the 2014 Bonds (<https://emma.msrb.org/P11603768-P11237012-P11660064.pdf>). As of June 30, 2022, no amounts have been drawn down from the SRF loan.

III. RESERVE FUND

The table below presents the balance in the Sewer Enterprise Reserve Fund, as of June 30, 2024, for the bonds covered in this Annual Report and any parity obligations.

CITY OF SAN MATEO Sewer Enterprise Reserve Fund	
Bond Issue	Balance as of 6/30/2024
